Directors' report

The directors have pleasure in submitting their annual report, together with the audited financial statements for the year ended 31 March 2017.

The directors were entitled to take advantage of the small companies' exemption in not preparing a strategic report. This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Activities

The company did not trade during the financial year or the preceding financial year but received interest income on a deposit account. The directors foresee no changes in the company's activities.

Going concern

The company is expected to continue to generate profit for its own account and to remain in a positive net asset position for the foreseeable future. On the basis of their assessment, the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Financial

The results for the financial year ended 31 March 2017 are shown on page 5.

The profit for the year transferred to reserves was £11,781 (2016 –£2,640).

No dividend was paid during the year (2016 - £nil).

Directors

The directors who held office during the year were as follows:

G P Crickmore
J J Nicholls

Directors' remuneration

None of the directors received any remuneration during the year in respect of their services as directors of the company (2016 - £nil).

Secretary

On 10 March 2017 V Cooper resigned and J Guttridge was appointed as Company Secretary.

Directors' indemnity

The Articles of Association permit qualifying third-party indemnities for the directors as defined by Section 234 of the Companies Act 2006. No such indemnity was in force during the last financial year, nor is any currently in force.

Directors' report (continued)

Internal control and risk management over financial reporting

The company operates under the financial reporting processes and controls of the Diageo group. The internal control and risk management systems over the financial reporting process of Diageo plc, which include those of the company, are discussed in Diageo group's Annual Report 2016 on pages 60 to 61 at www.diageo.com, which does not form part of this report.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor, PricewaterhouseCoopers LLP, is deemed to be reappointed and will continue in office.

Disclosure of information to the auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with applicable law and Financial Reporting Standard 101 - Reduced Disclosure Framework (FRS 101).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

Basis of preparation

These financial statements are prepared in accordance with *Financial Reporting Standard 101 - Reduced Disclosure Framework* (FRS 101).

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (IFRS), but makes amendments where necessary in order to comply with Companies Act 2006 and sets out below where the FRS 101 disclosure exemptions have been taken.

The company is a wholly owned subsidiary of Diageo plc and is included in the consolidated financial statements of Diageo plc which are publicly available.

The company has taken advantage of the following exemption from the requirements of IFRS in the preparation of these financial statements, in accordance with FRS 101:

- a cash flow statement and related notes;
- comparative period reconciliation for share capital, and tangible fixed assets;
- the effects of new but not yet effective IFRSs;
- disclosures in respect of the compensation of Key Management Personnel; and
- the disclosures required by *IFRS 7 Financial Instruments Disclosures*.

These financial statements are separate financial statements.

Functional and presentational currency

These financial statements are presented in sterling (£), which is the company's functional currency.

Foreign currencies

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the financial year end exchange rates and these foreign exchange differences are recognised in the income statement.

Financial assets

Trade and other receivables Amounts owed by other group companies are initially measured at fair value and are subsequently reported at amortised cost. Non-interest bearing trade receivables are stated at their nominal value.

Cash and cash equivalents Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less at acquisition, including money market deposits, commercial paper and investments.

NOTES TO THE FINANCIAL STATEMENTS (continued)

1. ACCOUNTING POLICIES (continued)

Financial liabilities

Trade creditors Amounts owed to other group companies are initially measured at fair value and are subsequently reported at amortised cost. Non-interest bearing trade creditors are stated at their nominal value.

Taxation

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax benefits are not recognised unless it is probable that the tax positions are sustainable. Once considered to be probable, tax benefits are reviewed each year to assess whether a provision should be taken against full recognition of the benefit on the basis of potential settlement through negotiation and/or litigation. Tax provisions are included in current liabilities. Interests and penalties on tax liabilities are provided in the tax charge.

Full provision for deferred tax is made for temporary differences between the carrying value of assets and liabilities for financial reporting purposes and their value for tax purposes. The amount of deferred tax reflects the expected recoverable amount and is based on the expected manner of realisation or settlement of the carrying amount and is based on the expected manner of recovery settlement of the carrying amount of assets and liabilities, using the basis of taxation enacted or substantively enacted by the balance sheet date. Deferred tax assets are not recognised where it is more likely than not that the asset will not be realised in the future.

Tax benefits are not recognised unless it is probable that the tax positions are sustainable. Once considered to be probable, management reviews each material tax benefit to assess whether a provision should be taken against full recognition of the benefit on the basis of potential settlement through negotiation and/or litigation.

Critical accounting policies

There are no judgements or uncertainties that management have made in preparing these financial statements that have a significant effect on the amounts recognised in the financial statements.

Transactions between the company and its related parties are made on terms equivalent to those that prevail in an arm's length transactions'.

Independent auditors' report to the members of Shaw Wallace Overseas Limited

Report on the financial statements

Our opinion

In our opinion, Shaw Wallace Overseas Limited's financial statements (the financial statements):

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its profit for the year then ended;
 - have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
 - have been prepared in accordance with the requirements of the Companies Act 2006.
-

What we have audited

The financial statements, included within the Annual Report and Financial Statements (the Annual Report), comprise:

- the balance sheet as at 31 March 2017;
- the statement of comprehensive income for the year then ended;
- the statement of changes in equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 Reduced Disclosure Framework, and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the directors' report. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Independent auditors' report to the members of Shaw Wallace Overseas Limited (continued)

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of Directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the directors' responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) (ISAs (UK & Ireland)). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the directors' report, we consider whether this report include the disclosures required by applicable legal requirements.
